

# Hear Their Cry

David West

David West

1. Hear the cry of the shack - led from their pri - son bars of sin.  
2. We must go to the dy - ing, in a while 'twill be too late.  
3. Feel the pain of the bro - ken tossed a - bout by sin and shame.

Fear - ing death with - out the Sav - ior, No one cares their souls to win.  
Still are man - y lost in dark - ness; Their sal - va - tion dare not wait.  
Do you see their souls are search - ing for the truth, and why He came?

Hear their cry, oh, hear their cry. Sad and lone, no peace in - side Who will

tell them of His love, bound - less as the heav'n a - bove, Sav - ing grace, so full and

free, Hear their cry, oh, hear their cry. Who will go? Oh, hear their cry.
