

# Cast Your Net

David West

David West

1. The har - vest is great but the lab - 'rers are few.  
2. Lord, o - pen our eyes. See a world in des - pair.  
3. Oh, give us a heart for a world lost in sin.

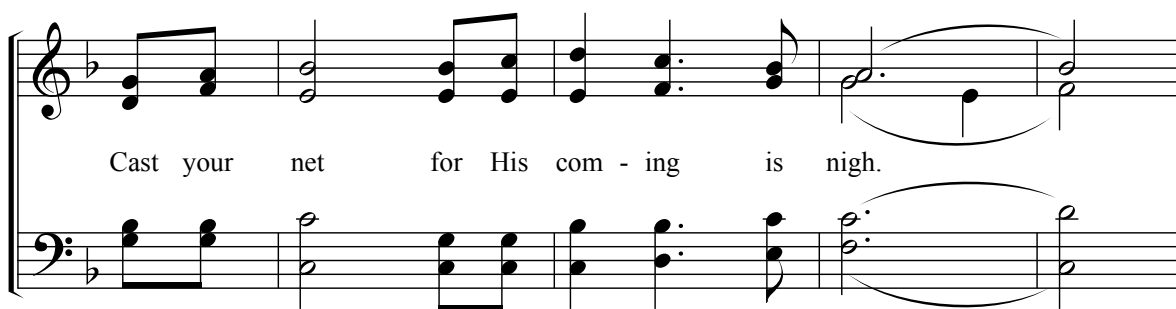

There's work to be done. Hear His voice call - ing you.  
They strug - gle for peace. Can we say that we care?  
Re - kin - dle the flame. Pre - cious souls to Him win.

Why tar - ry so long? Who will go, His word o - bey?  
In an - guish they cry, fear - ing death, such a - gon - y.  
Wher - ev - er He leads we must fol - low at His call.

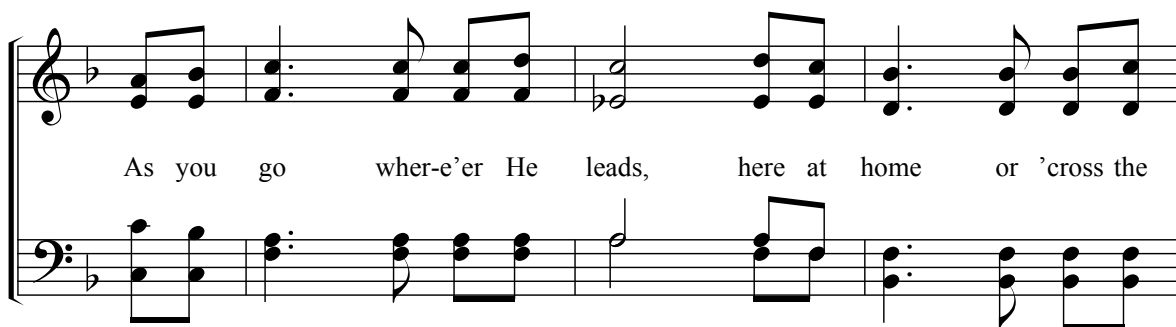

Share the truth that will not pass a - way.  
There is hope, if they on - ly be - lieve.  
Giv - ing light in the dark - ness to all.

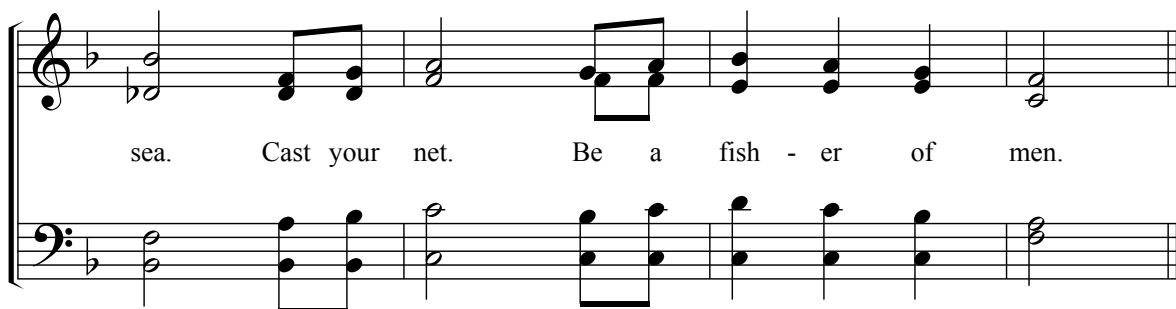

Cast your net for the day - light is fad - ing.

Cast your net for His com - ing is nigh.

As you go wher-e'er He leads, here at home or 'cross the

sea. Cast your net. Be a fish - er of men.
